On Friday 11th April 2008 Uni Camp For Kids held our Quiz Night II at the Royal Freshwater Bay Yacht Club. The night was a huge success, thanks to the generosity of our supporters and the hard work and dedication of our sixteen Committee members.

Around 200 past members, sponsors and supporters attended; fiercely competing for the grand prize of a sailing trip for 10 people donated by the Western Australian Yachting Foundation, 6 bottles of Houghton's premium wine, and dinner for 10 people donated by the Hyatt.

The great atmosphere and high spirits encouraged everyone present to give generously to help raise money for our winter camp in July 2008. This is the first winter camp in more than twenty years, and will provide a holiday for an additional 80 children (at the same time providing respite for their families/carers).

With ticket sales, raffle tickets and amazing auction items (including a stunning pearl necklace valued at $1180 donated by Diamonds & Pearls, and two nights at Merribrook Retreat Margaret River alongside a Secret Garden Brooklyn Valley tour in total valued at $800) we raised just over $5800 for the kids!! This is a record compared to previous years when the event has been held.

A huge thanks to everyone who attended the evening and/or donated prizes, we hope you are proud of its success and are enjoying the warm fuzzy feeling that comes from knowing you have helped those less fortunate than yourself.
A HUGE THANKYOU TO ALL OUR SPONSORS
